Ladies and Gentlemen,

My name is Travis Colombel. I am currently employed as an Administrative Sergeant with the Louisiana State Police assigned to Troop C in Gray, LA. I have been employed with the State Police since January of 1998. Prior to State Police I was employed with The Lafourche Parish Sheriff's Office. My wife has been a nurse since 1994 and has worked at several hospitals and private practices within Terrebonne, Lafourche, Assumption and St. Mary Parishes.

I am seeking an advisory opinion on behalf of my wife and myself, as potential owners of a grass maintenance company. The company specializes in commercial grass maintenance along state, parish and federal highways as well as other state and parish properties. To obtain these contracts, bids must be placed through The Louisiana State Department of Transportation and Development more often referred to as DOTD. I am seeking this opinion to ensure there is no conflict with my wife, other possible owners, any employees associated with the company or me placing bids to secure open contracts list through DOTD.

Respectfully,

 #1845
Sgt. Travis J. Colombel
